Dear Parent's, Thank you! Without you I would not have this fun, awesome group of girls and baton twirling position.

Also, I would never have had the opportunity to meet and teach your sweet child. I only hope I have made a difference in her life "for the good".

To our Parks and Recreation Department - Thank you for all that you do for our program and for being so supportive and good to me and my twirlers's over the past three decades.

With love and gratitude,

Vicki Linley
