**II. Eligibility**

- A. Player must be entered on roster form. Roster must be turned in to league director by **March 8, 2019**. Teams that have not turned in a signed roster by the deadline will be placed in the highest division. Any rosters turned in after the deadline will be charged at a rate of \$1/player as will all other player additions. Any games played after this date by teams who have not turned in signed rosters shall be considered forfeits. There is no maximum number of players a team can have on its roster.
- B. All players must be at least 16 years of age in order to be added to the official roster. The roster must be signed by a parent or guardian if the player is a minor.
- C. Before a new player is eligible to play, a \$1.00 addition fee per player must be included with a roster addition form filled out, signed by the pastor and presented to the league director before the start of the game. This verifies that the player regularly attends the church that sponsors the team. New players must be added **before the last regularly scheduled game.**

## **Church**

Players must regularly attend the church for which they play. Qualification for "regularly attends" is determined by the minister. **Roster must be signed by the minister verifying all players.**

Once a player has played in a church league game on one team, that player becomes ineligible to play on any other team in the church league during that season. Games played with ineligible players are subject to be forfeited.

## **Coed**

Once a player has played in a league game on one coed team, that player becomes ineligible to play on any other team in the coed league during that season. Any games played with ineligible players are subject to be forfeited.

## **Independent**

Once a player has played in a league game on one independent team, that player becomes ineligible to play on any other team in the independent league during that season. Any games played with ineligible players are subject to be forfeited.

## **Industrial**

**Team players must be a full-time employee or spouse of a full-time employee of the firm for which he/she plays. Contract and/or temp workers are only eligible to participate if they work a minimum 40 hr week, do not work at any other company and are recognized by the company as a full-time contractor or temp. Roster must be signed by Personnel Director for all players. Contractors and temps must also have their agencies HR sign the roster. Players will be required to show their most recent check stub with a work badge and picture ID before being allowed to participate to verify full-time status. If they are participating as a spouse of a full-time employee their spouse's check stub and proper ID will be required. Only players who verify full-time status will be allowed to participate. Rosters may be mailed back to the Personnel Director for verification.**

**Before a new player is eligible to play, a roster addition form must be filled out and a \$1/player fee paid to the Complex Staff and the receipt, most recent check stub, work badge and picture ID must be presented to the scorekeeper and/or complex staff before the start of the game. Addition form must be signed by Personnel Director and if this player is a contractor or temp their agency must also sign the player addition. Players will not be allowed to participate until verifying full-time status. New players must be added before the last regularly scheduled league game.**

**Players may participate in any leagues sponsored by the Parks and Recreation Department. Once a player has played in a league game on one team, he becomes**

**ineligible to play on any other team in that league. Exception would be if player participating in the Industrial league has changed jobs and his new place of full-time employment has a team participating in the league he must play for that team. Once the player is no longer employed by his first company he can no longer legally play for that team.**

- D. A forfeit will be declared on all games until a properly completed roster has been turned in to the League Director.**

### **III. Forfeit**

- A. Teams must be able to field a team of at least 9 players **(5) five women and (4) four men Coed** (When the 10<sup>th</sup> player arrives they will be added to the bottom of the line-up and allowed to play), all wearing the appropriate matching shirts with permanent numbers (not to be duplicated) when their scheduled field becomes available.
- B. Game times will be **6:30 pm, 7:30 pm, & 8:30 pm with no grace period**. Failure of a team to be ready to play with the adequate number of players, by their scheduled time or within 10 minutes after the end of the previous game on their scheduled field, will constitute a forfeit. Failure of both teams to be ready to play will result in a double forfeit. There will be no exceptions to this rule.

**\* Some leagues may be subject to playing four (4) time slots per night (6:15 pm, 7:15 pm, 8:15 pm, 9:15 pm) depending on the size of the league and field availability.**

- D. Time limit is one hour for all league games. The inning in progress at the end of the time limit will be completed. Tied games will continue on full inning basis until tie is broken.
- E. Line-up must be turned in to scorekeeper a minimum of 10 minutes before scheduled game time.

### **Coed**

The 10th spot in the batting order will constitute an out. This includes injuries and players leaving for work.

If at anytime a team cannot field the adequate number of males and/or females it will constitute a forfeit. This includes injuries and players leaving for work.

### **Men's Independent**

If a team forfeits game(s) on three different nights during the season, that team will not be permitted to complete the season or participate in the league tournament.

#### **IV. Protest**

- A. A protest must be declared to the home plate umpire immediately following the disputed play, before the next pitch. Protesting team must pay a Ten Dollar (\$10.00) protest fee to the complex manager. The umpires and complex manager will constitute the protest committee and will rule on the protest. If you wish to appeal the decision, notify the complex manager and home plate umpire that the game will be continued under protest. League Director will review the appeal and make the final decision.
- B. Protest on player eligibility
  - i. **PRIOR TO THE GAME:** If a player is protested, he/she must provide a picture ID or he/she will not be permitted to enter the game. If he/she has proof of ID, he/she may participate. The protesting team may require the game to be played under protest if they think the player does not work for the company or attend the church for which he/she is playing. The League Director will contact the church or company for verification and then rule on the protest.
  - ii. **DURING THE GAME:** If a player is protested, he/she must be able to show a picture ID or the game will automatically be forfeited. If a player has ID, the game will continue under protest as above.
  - iii. **THERE WILL BE NO PROTESTS ONCE THE GAME HAS ENDED.**
  - iv. **Men's Industrial Only:** No player will be allowed to participate unless properly checked in by showing proof of full-time employment to complex staff before game. Game may be forfeited at any time during a game if there is a player participating that has not properly checked in. If the complex staff, umpires and or scorekeepers have reason to question a player's identity or that the player is participating under a false name the player may be asked to show a picture ID. If the player refuses or cannot show a picture ID at that time the game will be forfeited.
- C. If a protest is upheld, the protest fee will be refunded.
- D. Any team protested legally and is found to have an ineligible player will be warned. If such offense occurs again the team will be removed from the league and not be allowed to participate in the league tournament. No refunds will be given to the team.
- E. Any player protested legally and is found to be ineligible for that team will be removed from the league and not allowed to return to his/her legal team. If said player was never on a team legally he/she now becomes ineligible for all teams in that league.

- F. All games played with ineligible player(s) that have been removed by the League Coordinator are subject to be forfeited without protest.

**V. EJECTED PLAYERS**

- A. Ejection from a game by an umpire for disciplinary reasons may be for the remainder of the game, the next game, the next two (2) games or for the remainder of the season. The degree of severity of the penalty will be determined by the official(s) involved, the Officials' Board and the League Director.
- B. **Any player or coach/manager ABUSING an official, scorekeeper or staff verbally or physically will be removed from the game and the league for at least the remainder of the season. If it is determined that this act was team oriented, the above applies for the entire team.**
- C. Any player that is repeatedly ejected for disciplinary reasons will be suspended from play with all teams he/she participates with for the remainder of the season.
- D. **Profanity will not be tolerated. Players will be ejected. If the profanity is directed to umpires, complex staff or scorekeepers the player or players may be suspended from the park for one year. For the purpose of our league "profanity" will be defined as any word that would not be used in a Sunday School Class.**

**VI. Home Run Rule**

A limit of over-the-fence home runs will be used in all men's and coed slow pitch leagues. The following limitations are per team per game:
