Dear Friends of Arts 'n Autism,

On behalf of the staff, children and parents of Arts 'n Autism, THANK YOU for your support of our 2012 Summer Camp. A total of 50 students from the ages of 4 to 22 gathered for two weeks of therapeutic activities and a lot of fun!

We really appreciate your hospitality when we brought our kids up for a day at the water park. They especially loved the wave pool and the Sky Pond. Juanita Harris was extremely helpful in securing our accommodations. Please enjoy this poster collage of our kids served – they had a wonderful time!

Arts 'n Autism is Tuscaloosa's only after-school and summer camp program for children, adolescents and young adults with autism. Support from communities and businesses such as yours is crucial to the success of our program. It is our hope that you will display this poster with pride so that your customers will be able to appreciate your generosity as much as we do. Thanks again!

Sincerely,
